## EMERALD

**2052020**  
**2/2/2006**

**Emerald** is a concentrated, non-toxic, non-flammable, non-abrasive and biodegradable aqueous degreaser/cleaner. At a pH of 9.5, it is mild and a user friendly cleaning process. It is caustic-free.

**Emerald** replaces ozone depleting substances (ods) and hazardous chemicals and meets the federal Clean Air Act.

### APPLICATIONS

- engines and machinery
- floor scrubbing and general plant cleaning
- parts washers, steam cleaners, dip tanks
- manufacturing equipment
- transport vehicles
- hand tools
- prior to plating, painting, welding

Make up (some applications)

#### Up to 10:1

- floors, stairs, walks, ramps
- parts washing systems
- machine oil on manufactured parts
- food preparation areas of restaurants, i.e., grills, vents, grease traps.

#### Up to 30:1

- washing transport vehicles
- degreasing with steam cleaners and pressure washers
- cleaning boats, interior/exterior
- cleaning table tops, desk and counter tops in packaging and warehouse areas.

**Emerald** is tough on grime, but is friendly to the environment.

### WARRANTY

The quality of this product is guaranteed on shipment from our plant. If the use recommendations are followed, desired results will be obtained. Since the use of our products is beyond our control, no guarantee expressed or implied is made as to the effects of such use, or the results to be obtained.
