Chemical Services

Sustainable solutions for optimal results.

Many chemicals are just the building blocks or raw materials in a manufacturing process.

At Hubbard-Hall we provide several unique services such as:

- **Distribution**
- **Blending and Packaging**
- **Formulation**
- **Lab Analysis and Process Audits**
- **Training**
- **3PL: Storage, Handling and Transportation**
- **Drumless Delivery**

P.O. Box 790 • Waterbury, CT 06720-0790 • Tel: (203) 756-5521 • Fax: (203) 756-9017

P.O. Box 969 • Inman, SC 29349-0969 • Tel: (864) 472-9031 • Fax: (864) 472-2117

- Active member of the National Association of Chemical Distributors (NACD) since 1972; Following the Responsible Distribution Process (RDP)

Blending and Packaging

ISO 9001:2000 certified

- Blending capabilities include powder and liquids
- 55 gallon drums, 275 gallon totes and bulk sizes available
- 2 manufacturing locations in the United States

Formulation

Over 90 years experience in formulating superior products

- Consultation and design
- Testing and deformation
- Full scale manufacturing and packaging

Lab Analysis and Process Audits

For consistent process control

- Monitor service for temperature, concentration, pH and oil contamination
- Solvent Degreaser Analysis and Maintenance

Training

Reduce downtime and operator error with annual training

- **H-Help** Environmental learning programs; OSHA, DOT and EPA compliance requirements
- Online training for personal development; Over 450 certified courses covering several disciplines

3PL Services: Storage Handling and HH Solutions (transportation)

Leverage 100+ years of experience handling and shipping freight

- Lower your total shipping costs with **HH Solutions**
- Storing, packaging and shipping preparation

CHAMP: Drumless Delivery

Delivering only the volume you need

- Save by eliminating handling, drum disposal, re-order forms and receiving costs
- Customized service plan for maintenance
- Ideally suited for any liquid chemical
