

# Maintenance Cleaner 10

**Maintenance Cleaner 10** is an industrial strength; all-purpose cleaner and degreaser. This highly concentrated cleaner effectively removes grease, grime, oily films, soap scum and particulate soils and is extremely free rinsing. Controlled foaming agents make Maintenance Cleaner 10 the ideal product for automatic scrubbers and spray applications where foam is a problem.

Maintenance Cleaner 10 is an economical and safe cleaner in which alkalis, synthetic detergents and solvents act synergistically to handle many soils generally requiring strong chemical cleaners. When used as directed, it is safe for nearly any cleaning job.
