

AquaPure™ Foam Drop

Aquapure Foam Drop is a 100% active product that affords the user very efficient foam control and works is compatible with membrane equipment with no fouling. Aquapure Foam Drop product works extremely well in municipal and industrial systems where thick brown foam persists as a result of microbial activity. Aquapure Foam Drop works well on foam enhanced by filamentous growth. This product also works well on high starch systems.

Features & Benefits

Liquid concentrate	Easy to meter in
100% active	Good foam dissipation
Membrane friendly	With no fouling

Physical Data

Appearance	Clear to hazy, straw colored liquid
Specific gravity	0.94 – 0.97
Flash point	> 257°F
Solubility in water	Dispersible

Typical Applications

- Industrial wastewater systems
- Municipal wastewater systems
- Starch systems
- When foam is a problem with or without membranes

Caution

DO NOT FREEZE
